## Election Returns.

We do not deem it necessary to publish  
the full vote, by counties, of the different  
States, but we give the aggregate vote in as  
many States as have been heard from officially.

**Missouri**—In all the counties but one,  
Buchanan's majority is 9,492. The county  
to be heard from, Dunklin, gave Benton 56,  
Polk 175, Ewing 33.

**Illinois**—Official—Buchanan 105,344;  
Fremont, 96,180; Fillmore 37,451. For  
Governor—Richardson (D.) 106,643; Bis-  
sell (Rep.) 111,372; Morris (A.) 19,241.

**Pennsylvania**—Buchanan, 280,500; Fu-  
son, 203,348, (of which 147,447 were cast  
for Fremont, and 55,891 for Fillmore);  
straight Fillmore ticket 26,388; Scatterling,  
119. Buchanan over all, 705.

**New Jersey**—Buchanan, 47,810; Fremont,  
28,229; Fillmore, 24,114. For Governor—  
Newell, (Fusion,) 50,903; Alexander, (D.)  
48,246.

**Rhode Island**—Fremont, 11,467; Buchan-  
an, 6,680; Fillmore, 1,663.

**Delaware**—Buchanan, 8,003; Fillmore,  
6,175; Fremont, 306.

**Maryland**—Fillmore, 47,462; Buchanan,  
39,115; Fremont, 190.

**New York**—Fremont, 275,355; Buchan-  
an, 194,708; Fillmore, 154,726.

**Connecticut**—Fremont, 42,771; Buchanan,  
35,150; Fillmore, 4,772.

**Vermont**—Fremont, 39,963; Buchanan,  
10,577; Fillmore, 746.

**Massachusetts**—Fremont, 105,000; Buchan-  
an, 37,000; Fillmore, 10,000.

**Tennessee**—All the counties but six give  
Buchanan 6,638 majority. Those to hear  
from will not materially alter the figures.

**Kentucky**—Nearly full returns give Buchan-  
an 7,000 majority.

**Louisiana**—Nearly complete, 1,500 ma-  
jority for Buchanan.

**New Hampshire**—4,500 for Fremont.

**Board of Public Works.**

The Board of Public Works, composed of  
Messrs. Overstreet, Bishop and Vannoy,  
accompanied by R. M. Stewart, Esq., Presi-  
dent of the Hannibal and St. Joseph Rail  
road, Mr. Duff, Chief Engineer, and several others  
arrived in town on Friday evening last.

They have made a thorough investigation of  
the affairs of said road in our county, and  
presume they found everything O. K.

**The Next Congress.**

The probability is, that the House of Rep-  
resentatives in the next Congress, which  
will convene on the first Monday in De-  
cember, 1857, will contain about ten or  
twelve majority of Democrats. The great  
issue is to be, the creation of a slave State  
of Kansas. On this question the sham De-  
mocracy are expected to demonstrate their  
"nationality." But mark what we predict—  
If Kansas asks admission as a slave State,  
the sham Democrats at the North will "back  
down." Twenty of the fifty sham Demo-  
crats elected from the free States to the  
next Congress, and probably thirty of them,  
will refuse to vote for the admission of  
Kansas with slavery sanctioned in her Con-  
stitution.—[Washington Organ.

**Stabbed.**—The mate of the steamer "W.  
H. Russell" was stabbed last Monday night,  
by a deck passenger. A difficulty arose  
about the passage money—the passenger  
called the mate a liar—the mate struck him,  
and was stabbed in the breast, severely, but  
not dangerously hurt. The passenger was  
taken in custody at Bonville.

**Think of It.**—While our Democratic  
friends are exulting over their recent victory,  
we desire them to reflect how they would  
feel, if they had been beaten. Think of it,  
and bear yourselves as you would like to  
see your opponents, had you been defeated.

**To Mechanics.**—We are requested to  
say that a good Saddler, a Boot and Shoe-  
maker, and Cabinet workman, are much  
needed in the town of Roanoke, which is a  
thrifty place, surrounded by a wealthy  
farming population.

**The Democracy of this county** are to  
have a great time in Fayette, next Wednes-  
day night, in commemoration of the election  
of Buck and Breck. We suppose they will  
illuminate, fire guns, burn tar, and—no,  
we hope they won't drink whisky. Let that  
alone good friends.

**Shooting.**

We learn that on Wednesday evening of  
last week a shooting affair took place in this  
city near the Drug Store of Dr. Ball, on  
Thomas street, between Drs. W. S. Darneal  
and David Croysdale. Several shots were  
exchanged between the parties. Dr. Darneal  
was slightly wounded on the side of his face  
and ear. Dr. Croysdale was severely in-  
jured in one of his shoulders; the ball having  
penetrated the joint.—[Weston Argus, 21st.

**A recent census** shows the popula-  
tion of Nebraska Territory to be 10,716—  
with 4,000 voters.

## Truth "in the Rough."

The papers are making sport of the fol-  
lowing passage in a recent charge to the  
Grand Jury of Boone county, Kentucky, by  
Judge Mittal. There is a world of "truth  
in the rough" in it:

Judge Mittal in a recent charge to the  
Grand Jury of Boone county, Kentucky, ex-  
pressed himself, in relation to the practice  
of carrying concealed weapons, in the fol-  
lowing energetic, though not very elegant,  
language:—"Now, I am safe in saying that  
one man in twenty has a six-shooter in his  
breaches pocket, or a bowie-knife in his  
breast, and if you ain't careful you will come  
in contact with some of these young gen-  
tlemen, these traveling arsenals as I call them.

They make it a point to learn enough of law  
to throw you in the wrong; you will then  
see them brace themselves back against a  
wall, and when they think themselves safe in  
the eyes of the law, they blaze away. I  
want you to get right after these fellows."

The post office at Spring Hill, Liv-  
ingston county, has been discontinued.—  
There was no democrat to take the office  
and the Post Master General would not let  
an American have it.

**Sorrow for the Defeat of Fremont.**

Fremont's defeat is a cause for sorrow  
and lamentation—where? Why in no less in-  
teresting locality than the sunny State of  
South Carolina. Notwithstanding that the  
Palmetto State folks were as savage as pos-  
sible on Fremont, and as ardent as possible  
in favor of Buchanan, one of them, in a let-  
ter published in the Charleston Mercury, de-  
clares that, for his part, he is "sorry that  
Fremont is not elected, since that would  
have been, *ipso facto*, a dissolution of the  
Union."

South Carolina is hard to please. She is  
always discontented and unhappy about  
something, and doing all she can to make  
others unhappy too. She is eternally com-  
plaining that some great wrong has been  
done her and the South, and eternally threat-  
ening to take up her "traps" and march out  
of the family. Hon. Robert Barnwell Rhett  
of that State has just written a long argu-  
ment to prove that South Carolina ought to  
secede without further delay. And, in case  
South Carolina sits fit to adopt and to ac-  
cede, the suggestion, we don't know but that  
all things considered, it would be best to let  
her "slide." There would be less grum-  
bling in the family afterwards.—[News.

**Direct Trade with Europe.**—The suc-  
cess of the voyage of the *Diana*, Richmond,  
from Chicago to Liverpool, having demon-  
strated the practicability and profit of the  
St. Lawrence route, some of the Chicago  
business men are disposed to follow up the  
experiment. Messrs. Cameron, Barry &  
Co., Foreign Marine Brokers in Chicago,  
advertise for two vessels for Europe, one to  
load lumber on Lake Huron or Lake Erie  
for a port inside the Straits of Gibraltar,  
and not higher up than Valencia, with re-  
turn cargo of fruit and wine, direct to Chi-  
cago; the other to load at Chicago and Mil-  
waukee, for the United Kingdom, immedi-  
ately on the opening of navigation.

**UNITED STATES COINAGE FOR THE FISCAL**  
YEAR.—The depositors at the Mint of  
the United States Branches and Assay office,  
for the fiscal year ending June 30th, 1856;  
were of Gold \$60,085,906.90, (of which  
\$59,608,609.50 was California), and of Sil-  
ver \$6,737,523.37, (of which \$294,472.35  
was parted from the California gold) mak-  
ing a total of \$66,823,430.25 in precious  
metals.

The Gold coinage consisted of 1,562,143  
double eagles, 104,490 eagles, 365,670 half  
eagles, 57,100 three dollar pieces, 377,334  
quarter eagles, 792,110 gold dollars, 5,639  
fine bars, (of the value of \$21,956,327.16.)  
1,065 (unparted) bars, (of the value of \$3-  
746,136.52,) the number of pieces 3,288-  
585, value \$62,156,413.63.

The Silver coinage consisted of 63,500  
dollars, 5,016 500 half dollars, 6,872,400  
quarter dollars, 2,880,000 dimes, 4,500,000  
half dimes, 720,000 three cent pieces, and  
162 fine bars, (value \$30,651.04); the  
number of pieces 21,054,562, value \$5,355-  
061.04. The Copper coinage was 1,745-  
584, pieces, in cents, of the value of \$17-  
455.84. The whole number of pieces coin-  
ed during the fiscal year was 26,088,731, of  
the value of \$66,527,930.56.

**Obedience to Children.**—It is unspeak-  
able what a blessing it is to a child, what a  
saving of unhappiness and wickedness in  
after life, to be early taught absolute obedi-  
ence; there must be no hesitating or asking  
why, but what a mother says must be done.  
The young twigs bend easily, but remem-  
ber, that in after years it grows hard, and  
will break before you bend it. A little stand-  
ing at first will save you many years of  
sorrow. While you insist upon obedience,  
however, you must care that you do not pro-  
voke a child, and tempt it to disobedience  
by unreasonable and foolish commands.—  
"Provoke not your children to wrath;" and  
when it is necessary to punish them, see  
that it never be done violently and in a pas-  
sion, but as a duty.—[Hints to Mothers.

**Gov. Geary** suspended Judge Le-  
compte and one of the U. S. Marshalls, for  
admitting to bail a man charged with mur-  
der, and will report the facts to the Presi-  
dent, and if not sustained, will resign—it is  
said.

**Good Advice.**—Don't get in a fluster  
and go on a buster, nor allow yourself to  
be terrified; but keep a cool head, and nev-  
er be led, to join in a hurrah and a spree.

## A Political Move.

The following letter from an old wheel-  
horse of Whiggery we clip from the Lib-  
erty Tribune:

Mr. Editor:—Permit me through your  
paper to say a few words to the people of  
Platte county. While at Jefferson City as  
one of the Representatives of Platte county,  
I propose to make an attempt, and I think I  
can succeed, to resurrect the Whig party,  
and put it on its feet again. Although the  
Whig party (to which I belong) is the small-  
est of the four parties in our country, yet I  
propose to rally the Americans and conser-  
vative democrats around the few old sturdy  
oaks, who have breast the storms of many  
years. They are conservatives that belong  
to both wings of the Democracy. But candor  
compels the declaration, that the most of  
them belong to what is called the Benton  
party. Their positions justify the names of  
ultra democrats, and conservative democrats.

Our object will be to put down mob law,  
filibusterism, nullification and abolitionism.  
And particularly the two latter. And we  
will adopt for our platform, tolerating all  
minor differences,

1. "This Union, must and shall be pre-  
served."—Andrew Jackson.

2. "Liberty and Union, now and for-  
ever, one and inseparable."—Daniel Web-  
ster.

Upon this platform the conservatives of  
all parties can and will be proud to rally;  
and save the Union, from the madness and  
recklessness of nullification and abolitionism.  
And ultimately save the best govern-  
ment that has existed since our Savior's cru-  
cifixion.

The name of our party will be, the "UN-  
ION WHIGS."

While the name is in dialectic of the Un-  
ion of the States, it is also indicative of a  
Union of those who support the Union."

Respectfully, JNO. WILSON.  
LIBERTY, Oct. 31, 1856.

**Northwest Missouri.**—We have just  
returned from a visit to the counties of  
Grundy and Mercer, and we take pleasure  
in saying that two finer counties cannot be  
found in the Grand River Valley. Equal  
in point of population to our own county,  
the same spirit of enterprise is to be seen,  
which has within the past few years placed  
us in a position of which we are justly  
proud. A few years ago Grundy and Mer-  
cer were considered the outskirts of civiliza-  
tion, now they are among the most popu-  
lar and wealthy in Northern Missouri.—  
Their fertile prairies are dotted over with  
farms, their streams and all powerful steam  
drives innumerable mill, their towns are  
flourishing, in a word, prosperity and en-  
terprise are to be seen everywhere. Tren-  
ton, the county seat of Grundy, is a deligh-  
ful town, and second to none in the Grand  
River country in point of trade. Well im-  
proved and gradually advancing in improve-  
ment, and boasting of a population, which  
for intelligence and energy cannot be sur-  
passed, Trenton is bound to "shine" among  
the Grand River towns. Grundy is rapidly  
filling up, yet there is plenty of land and  
room for those in search of homes.—[Chillico-  
the Chronicle.

**HANNIBAL AND ST. JOSEPH RAILROAD.**  
—At an election by the Stockholders, on  
the 13th instant the following gentlemen  
were elected Directors for the ensuing year:  
Robert M. Stewart, Buchanan Co., Mo.  
Joshua Gentry, Marion county, Mo.  
Levi Barkley, " " "  
H. H. Hunnewell, Boston, Mass.  
John E. Thayer, " " "  
C. W. Chapin, " " "  
Fred'k T. Bush, " " "  
Robert S. Watson, " " "  
Robert B. Forbes, " " "

**Pacific Railroad.**

Every month increases the earnings of  
the Pacific railroad. We annex the receipts  
for October:

Passengers \$26,842.60  
Freight and Mails, 28,639.60

Total, \$55,482.20

**The Lancaster (Pa.) Express** says  
that while all speculations about the Cabinet  
are premature, there is little doubt that Hon.  
Howell Cobb, of Georgia, and Hon. John  
Appleton of Maine will be offered places.

**Effects of Nicotine.**

The New Hampshire Journal of Medicine  
thus describes the effect of tobacco juice on  
snakes:

"A black snake about six feet in length,  
which had been captured, was grasped by  
one hand around the neck and some tobacco  
juice thrown into its mouth. After writhing  
spasmodically a few moments the snake be-  
came rigid, and after its death actually re-  
tained the position in which it was held, its  
head elevated from the ground and its body  
curled around beneath. The experiment has  
been tried successfully on several smaller  
snakes, and other reptiles, in preparing  
them for cabinet preservation."

**A Good Endorsement.**

On the night of the election some des-  
patches were sent from Philadelphia to Sa-  
vannah, with, with a postscript to send news  
forward. The direction was mistaken for  
the name of the person who sent the des-  
patch. A knot of Democrats, the Savan-  
nah News says, were in confab over the  
gratifying intelligence it contained, when one  
of the company inquired: "Who is this  
Mr. P. S. Forward—is he to be relied on?"  
Whereupon a Democrat present declared  
that he had known him for many years; that  
he was a good Democrat, and a highly re-  
spectable citizen of Philadelphia! With this  
endorsement, the news was accepted as wor-  
thy of credit.

## BOONE COUNTY VS. MISSOURI AND ILLINOIS.—A BANTER.

We are authorized to say that a gentleman of our county has a  
bull calf which he is willing to exhibit at  
the St. Louis Fair next fall against any other  
bull calf bred in Illinois or Missouri, for  
\$100 worth of silver plate. Age over one  
and under two years at the time of exhibi-  
tion. Exact age and well authenticated  
pedigrees to be submitted to the judges who  
will be selected by the parties—say one  
from Illinois, one Kentucky, and one from  
Missouri. Any one accepting this banter,  
will please address the Secretary of the  
Boone County Agricultural and Mechanical  
Association by the 1st day of March next.  
—[Columbia Statesman.

**LITTLE THINGS.**

Do something for each other.  
Though small may help help,  
There's comfort off in little things,  
Far more than others see!

It takes the sorrow from the eyes,  
It leaves the world less bare,  
If but a friendly hand come nigh  
When friendly hands are rare!

Then cheer the heart that toils each hour,  
Yet finds it hard to live;  
And though but little in our power,  
That little let us give.

E. BOULDER offers for sale all of his lands in

unimproved. For particulars, apply to
